

WELCOME TO THE NEW ACADEMIC YEAR 2022/23

As it is the start of the new academic year, we have created a bespoke, interactive, digital key date planner, which includes term dates (according to region), holidays and key events/awareness dates for months, weeks and days.

The calendar is interactive which means once you've downloaded and saved it, you can click on any of the blue boxes, which will then turn white, you are then ready to insert text. We've inserted some awareness days, which can be deleted or amended, just remember to save before you close the pdf.

We hope you will find this useful and help you prepare for the year ahead.
